

Onsite Consulting Services Analysis Plus™ \$4,995.00 (USD)

This Three Day On-Site Program includes an in-depth analysis of all areas of the client's operation, finances, future growth, and staffing. A comprehensive analysis report of the entire operation, staffing report, an initial action plan, and one hour of follow-up by telephone are included in the package price.

This consulting package entitles you to receive the following products and services:

- ◆ Three days of on-site analysis and feedback sessions
- ◆ Comprehensive On-Site Report with Action Resource Section
- ◆ 1 hour following month of personal telephone coaching service
- ◆ Discounted fees to any future AEII seminar, workshop, product, or service

* Costs can be applied to additional implementation programs within 60 days of completion

* Travel Expenses are not included in package price and will billed separately
